

SUPPLIER EVALUATION

Supplier Evaluation Checklist — Buyer-Neutral Criteria

Objective evaluation criteria to score international poultry-equipment manufacturers before shortlisting.

- ☐ Corporate identity verified (registration, ownership, factory address).
- ☐ Documented export track record over the last 5 years.
- ☐ Reference sites in a comparable climate and scale, with contactable operators.
- ☐ Guaranteed performance data (not brochure figures).
- ☐ Spare-parts availability within the buyer's country or region.
- ☐ Service-response SLA in hours, backed by regional service presence.
- ☐ Compliance with applicable international standards (ISO 9001, CE, ASABE where relevant).
- ☐ Financial stability — audited accounts or credit report where obtainable.
- ☐ Insurance coverage — professional indemnity, product liability, transit.
- ☐ Willingness to accept independent factory acceptance testing.
